3 Absence from test

- a) Medical certificates must be produced if student is absent for the test.
- b) Parent's letter is strongly discouraged and its validity will be approved based on a case-by-case basis.
- c) Absence from any test without a valid reason will result in zero mark for the assessment.
- d) Do note that student will have to do a make-up test on the day he/she returns to school.

With this information, we hope all students will be better prepared themselves for the academic demands in 2023.
