### 4 Absence from tests

- Medical certificates must be produced if your child/ ward is absent for the test.
- Parent's letter is strongly discouraged and its validity will be approved based on a case-by-case basis.
- Absence from any test without a valid reason and refusal to submit work will result in zero mark for the test/ assignment.
- Do note that your child/ ward will have to do a make-up test on the day he/she returns to school.

We look forward to your continual and strong support for your child. This will definitely help him/her better prepare for the heavy academic demands in 2023.

Do feel free to contact your child's/ ward's Chinese Language teacher should you need further clarification on this matter.

Thank you.
