Dear Parent/Guardian

### RELEASE OF GCE N LEVEL EXAMINATION RESULTS 2023

The results of the 2023 Singapore-Cambridge General Certificate of Education Normal (Academic)-[N(A)] and Normal (Technical)-[N(T)] Level Examinations will be released on Monday, 18 December 2023, 2.00pm. Arrangements have been made for your child/ward to receive his/her results in school. Please ensure he/she reports to the school hall by 1.45pm.

Regardless of the outcome, it is important for our teens to know that they are loved for the person that they have grown up to be, and that their grades do not define who they are in our eyes. The social and emotional support you provide will be especially necessary and valuable in helping our teens manage their emotions and be positive when deciding on their next steps.

Do take this opportunity to have open conversations with your teen about his/her interests and choices and build his/her pathways together.

#### Collection of GCE N-Level Results

We encourage all students to return to their schools to collect their results. However, students who are unwell should seek medical attention and not return to school to collect their results. They can appoint a proxy to collect a physical copy of their results from the school. Proxies are required to produce the relevant documents for the school's verification when collecting the results. Please contact school for assistance with the appointment of a proxy.

In addition, we would like your child/ward to take note of the following when he/she reports to school on that day:

- Come in neat hairstyle and appropriate personal grooming e.g. school uniform.
- Report immediately to the school hall.
- Clear arrear school fees and/or library loans at the General Office, if any.

Students who are not in the appropriate school uniform or who do not have an appropriate hairstyle or grooming will receive their results after their classmates.

We would also like to appeal for your child/ward to donate their school uniforms and/or PE attire to the school if they are successfully posted to another institution so that these donations will benefit future batches of students in need. He/she can bring the clothing to the General Office for donation.

Please refer to the attached information sheets for more tips and resources on supporting your teen.

Thank you.

Yours sincerely,
